

“SALZBURGTAG” English (Tuesday) – Sommer 2026

Course registration starts on 26 January and ends on 22 February. All students will initially be placed on a waiting list. After 22 February, based on capacity, students will be assigned a place on each course and confirmation will be sent out.

Some courses are more popular than others and may fill up very quickly. As a consequence, students may not get a place in the course they wish to take, so remain open to the possibility of changing into a different course. Even if a course appears to be full, sometimes students drop out in the first week of classes and additional places open up.

When registering for a course in PLUSonline, the system will check whether you have taken the respective prerequisite courses, so make sure that you meet all requirements and your final marks have been entered. If this is the case but you still experience problems signing up for a class, please send an email to ticket-lehramt@plus.ac.at where you can get help registering.
